Prevaccination Checklist for COVID-19 Vaccines

For vaccine recipients:

The following questions will help us determine if there is any reason you should not get the COVID-19 vaccine today.

If you answer “yes” to any question, it does not necessarily mean you should not be vaccinated. It just means additional questions may be asked.

If a question is not clear, please ask your healthcare provider to explain it.

Patient Name _____

Age _____

Yes No Don't know

1. Are you feeling sick today?			
2. Have you ever received a dose of COVID-19 vaccine?			
<ul style="list-style-type: none"> If yes, which vaccine product did you receive? <ul style="list-style-type: none"> <input type="checkbox"/> Pfizer <input type="checkbox"/> Moderna <input type="checkbox"/> Another product _____ 			
3. Have you ever had an allergic reaction to:			
(This would include a severe allergic reaction [e.g., anaphylaxis] that required treatment with epinephrine or EpiPen® or that caused you to go to the hospital. It would also include an allergic reaction that occurred within 4 hours that caused hives, swelling, or respiratory distress, including wheezing.)			
<ul style="list-style-type: none"> A component of the COVID-19 vaccine, including polyethylene glycol (PEG), which is found in some medications, such as laxatives and preparations for colonoscopy procedures 			
<ul style="list-style-type: none"> Polysorbate 			
<ul style="list-style-type: none"> A previous dose of COVID-19 vaccine 			
4. Have you ever had an allergic reaction to another vaccine (other than COVID-19 vaccine) or an injectable medication?			
(This would include a severe allergic reaction [e.g., anaphylaxis] that required treatment with epinephrine or EpiPen® or that caused you to go to the hospital. It would also include an allergic reaction that occurred within 4 hours that caused hives, swelling, or respiratory distress, including wheezing.)			
5. Have you ever had a severe allergic reaction (e.g., anaphylaxis) to something other than a component of COVID-19 vaccine, polysorbate, or any vaccine or injectable medication? This would include food, pet, environmental, or oral medication allergies.			
6. Have you received any vaccine in the last 14 days?			
7. Have you ever had a positive test for COVID-19 or has a doctor ever told you that you had COVID-19?			
8. Have you received passive antibody therapy (monoclonal antibodies or convalescent serum) as treatment for COVID-19?			
9. Do you have a weakened immune system caused by something such as HIV infection or cancer or do you take immunosuppressive drugs or therapies?			
10. Do you have a bleeding disorder or are you taking a blood thinner?			
11. Are you pregnant or breastfeeding?

LIBERTYDOCTORS

ASSURING HEALTHCARE FREEDOM

On the day of the clinic:

Read Me Before Your Shot

- Park in the parking lot and follow signs to the check-in line.
- The check-in desk will make sure all your paperwork is present and completed: new patient paperwork, encounter form, pre-vaccination questionnaire, and photocopies of your ID and insurance card.
- After you are checked in, you will enter the vaccination building. Depending on the time of day, there may be an additional wait before you are vaccinated.
- You will hand your completed paperwork to your vaccinator. But keep this sheet that you are reading, and take it with you as you leave.

Read Me After Your Shot

You have received the Pfizer COVID-19 Vaccine.

- Stay in our waiting area for 15 minutes. If you begin to feel strange, alert the attendant and we will come speak to you. After your 15 minutes, you may exit the area.
- Keep your gray vaccination card with you and bring it with you when you receive your second dose.
- Go to libertydoctors.com/post-vaccine if you would like to see:
 - The Emergency Use Authorization for Recipients and Caregivers for the Pfizer vaccine.
 - Information about V-SAFE, the smartphone-based tool that uses text messaging and web surveys to provide personalized health check-ins after you receive a COVID-19 vaccination.

If this was your first dose, please return on Tuesday, April 20th, 2021, at the same time as your appointment today.

Prior to April 20th, you will receive a reminder email with links to paperwork to print, complete and bring. Also bring your gray vaccination card. You will not need to bring photocopies of your ID or insurance card.

If you have any questions, please email: info@libertydoctors.com
